

**VeloMax** is a practical choice when space for sheltered bicycle parking is limited. Its slim profile is only 4' wide and is enclosed on three sides for extra weather protection. The Velomax comes equipped with our heavy-duty MaxRack Hangers which are U-lockable. Manufactured in rustproof, anodized aluminum and the roof, side and rear panels are preassembled for quick and easy assembly.

**Class 2 Bike Shelter:** Semi-enclosed, canopy style

- Prefabricated in sections for quick assembly
- Three sided for increased weather protection
- MaxRack Hangers included
- Surface mounted
- Fits in alleys and on sidewalks
