

The **RoundUp** is a rugged outdoor bike cage that corrals bicycles in an attractive, locking shelter. Enclosed with stainless steel wire mesh and a pair of heavy duty gates, the shelter is secured with two mortise and cylinder locks. the RoundUp is manufactured in prefabricated, anodized aluminum so it is easy to assemble and rust proof. Available in four roof styles.

Class 2 Bike Shelter: Canopy Style

- **Hip, Gable, Barrel, or Flat roof styles**
- **Integrated rain gutters**
- **Holds 10 bikes**
- **Custom sizes available**
