

U-Rack | Bike Rack

SPECIFICATIONS

U-Rack is an economical and widely used bike rack style. Its simple inverted U shape prevents bikes from twisting and keeps them neatly parallel. We offer both round and square, heavy-duty, high-security models. For ganging multiple U-Racks on rails, see our U-Corrals.

Horizontal Bike Rack

- Surface Mounted or Below Grade models
- Heavy-duty round or square tubing
- Each U-Rack neatly secures 2 bikes
- Indoor/outdoor use
